## MORNING SESSION, 10:00am – 1:00pm

### Kindergarten – 5<sup>th</sup> Grade

#### **Playing with Puppetry**

Create some wonderful hand puppets that will let you “Tell a Story” at the end of the class

#### **Clowning Around**

This class allows students a burst of silly, creative energy as they free their imaginations and work on creative collaboration, imagination and how to be a clown!

### 6<sup>th</sup> – 9<sup>th</sup> Grade

#### **Improv and Physical Comedy**

Explore the spontaneous art of “Louder! Faster! Funnier!” improvisation and how to leave an audience in stitches! This fun, high energy workshop teaches students to create characters and tell their stories in the blink of an eye.

#### **Dancing on Broadway**

This class will explore the different styles of dance most commonly used in theater and build students’ knowledge of dance combinations and terminology. Students will become familiar with a wide array of essential dance styles, from classical to contemporary Broadway musicals.

## AFTERNOON SESSION, 1:30 – 4:30

### Kindergarten – 5<sup>th</sup> Grade

#### **Design a Play House**

Using a variety of materials, students will design a model for the play house of their dreams! A tree house with swings, ladders, animals, scooters – or a cave, covered with plants! We will help you create a fabulous space.

#### **Make a Scene**

Students will use their imaginations to interpret stories into scenes, bringing them to life in a whole new way!

### 6<sup>th</sup> – 9<sup>th</sup> Grade

#### **Singing for Broadway**

Learn important musical theatre skills, like interpretation of text and lyrics to create characters and strengthen vocal technique!

#### **From Booth to Stage**

An introduction to a range of skills designers use in scenic design, lighting design, and other technical aspects of the theatre. Students will learn how designers go from scripts into successful productions!
